STATE OF CALIFORNIA

CITY AND COUNTY OF SAN FRANCISCO

SERIES B

THE CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation organized and existing under the Constitution and laws of the State of California (herein called the "City"), for value received, hereby promises to pay (but only out of the Revenues hereinafter referred to) to the bearer hereof, on August 1, ... (subject to any right of prior redemption hereinafter provided for) the principal sum of Five Thousand Dollars ($5,000), together with interest thereon from the date hereof until the principal hereof shall have

been paid, at the rate of ..... per cent (.....%) per annum, payable on August 1, 1981, and thereafter semi-annually on February 1 and August 1 in each year. Interest due on or before the maturity of this Bond shall be payable only according to the tenor, and upon presentation and surrender, of the annexed interest coupons as they severally become due. Both the principal hereof and interest hereon are payable at the office of Wells Fargo Bank, National Association, the Fiscal Agent of the City in San Francisco, California, or, at the option of the holder, at the office of any paying agent of the City in New York, New York, Chicago, Illinois, or Los Angeles, California, in lawful money of the United States of America.

This Bond is one of a duly authorized issue of City and County of San Francisco Sewer Revenue Bonds (herein called the "Bonds") of the series and designation indicated on the face hereof. Said issue of Bonds is unlimited in aggregate principal amount, except as otherwise provided in the Resolution hereinafter mentioned, and consists or may consist of one or more series of varying denominations, dates, maturities, interest rates and other provisions, all issued and to be issued pursuant to the Constitution and laws of the State of California, including the Revenue Bond Law of 1941 (herein called the "Act"), and pursuant to Resolution No. 973-77, adopted by the Board of Supervisors of the City on December 12, 1977 (herein called the "Resolution"), and the vote of the qualified voters of the City voting at a special election duly called and held for that purpose, authorizing the issuance of the Bonds. Reference is hereby made to the Resolution, to any resolutions supplemental thereto and to the Act for a description of the terms on which the Bonds are issued and to be issued, the provisions with regard to the nature and extent of the Revenues, as that term is defined in the Resolution, and the rights of the holders and registered owners of the Bonds and of the bearers of the appurtenant coupons; and all the terms of the Resolution and the Act are hereby incorporated herein and constituted a contract between the City and the holder from time to time of this Bond, and to all the provisions thereof the holder of this Bond, by his acceptance hereof, consents and agrees.

The Bonds are issued to provide funds for the acquisition, construction, improvement and financing of improvements to an Enter-

prise, consisting of the sewage treatment and disposal system of the City and more particularly described in the Resolution. The Bonds are special obligations of the City and are payable, as to the principal thereof, interest thereon, and any premiums upon the redemption of any thereof, from certain revenues of said Enterprise (which, as more particularly defined in the Resolution, are therein and herein called the "Revenues"). All of the Bonds are equally secured by a pledge of, and charge and lien upon, all of the Revenues, and the Revenues constitute a trust fund for the security and payment of the interest on and principal of the Bonds.

The principal of and interest on this Bond are payable solely from the Revenues and the City is not obligated to pay it except from the Revenues. The general fund of the City is not liable, and the credit or taxing power of the City is not pledged, for the payment of the Bonds or their interest. The Bonds are not secured by a legal or equitable pledge of, or charge, lien or encumbrance upon, any of the property of the City or any of its income or receipts, except the Revenues.

The City covenants that, so long as any of the Bonds are outstanding, it will fix, prescribe and collect rates, fees and charges in connection with the services and facilities furnished by the Enterprise so as to yield Revenues at all times sufficient to provide for expenses of maintenance and operation of the Enterprise, to pay the principal of and interest on the Bonds as they become due and payable, and to provide all additional sums required by funds created for the further security of the Bonds, all as more fully set forth, and subject to the further terms and conditions contained, in the Resolution.

Bonds of Series B maturing on or before August 1, 1997 are not subject to redemption prior to their respective stated maturities. Bonds of Series B maturing on August 1, 2002 are subject to redemption prior to their stated maturity, at the option of the City, from any source of available funds, as a whole, or in part by lot, on any interest payment date on or after August 1, 1993, upon payment of the principal amount thereof and interest accrued thereon to the date fixed for redemption, plus a premium of ¼ of 1% of such principal amount for each year or fraction thereof, if any, remaining

between the date fixed for redemption and the maturity date of such Bonds.

Bonds of Series B maturing on August 1, 2002 are also subject to redemption prior to their stated maturity, in part, by lot, from minimum sinking fund payments provided for in the Resolution, on any August 1 on or after August 1, 1998, upon payment of the principal amount thereof and interest accrued thereon to the date fixed for redemption.

The Bonds are issuable as coupon Bonds in the denomination of $5,000, and as fully registered Bonds in denominations of $5,000 or authorized multiples thereof. Subject to the limitations and upon payment of the charges, if any, provided in the Resolution, fully registered Bonds may be exchanged for a like aggregate principal amount of coupon Bonds of the same series and maturity bearing all unmatured coupons (and any matured coupons in default) or for a like aggregate principal amount of fully registered Bonds of the same series and maturity of other authorized denominations, and coupon Bonds bearing all unmatured coupons (and any matured coupons in default) may be exchanged for a like aggregate principal amount of fully registered Bonds of the same series and maturity of authorized denominations.

This Bond is negotiable and transferable by delivery, and the City, the Fiscal Agent and any paying agent of the City may treat the bearer hereof, or the bearer of any coupon appertaining hereto, as the absolute owner hereof or of such coupon, as the case may be, for all purposes, whether or not this Bond or such coupon shall be overdue, and the City, the Fiscal Agent and any paying agent shall not be affected by any notice to the contrary.

The rights and obligations of the City and of the holders and registered owners of the Bonds may be modified or amended at any time in the manner, to the extent and upon the terms provided in the Resolution, but no such modification or amendment shall (1) extend the maturity of this Bond, or reduce the interest rate hereon, or otherwise alter or impair the obligation of the City to pay the principal hereof, or interest hereon, or any pre-

mium payable on the redemption hereof, at the time and place and at the rate and in the currency provided herein, without the express consent of the holder of this Bond, or (2) reduce the percentage of Bonds required for consent to an amendment or modification; all as more fully set forth in the Resolution.

It is hereby certified that all of the conditions, things and acts required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened or have been performed in due time, form and manner as required by the Act and other laws of the State of California, and that the amount of this Bond, together with all other indebtedness of the City, does not exceed any limit prescribed by any laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Resolution.

Upon the receipt of payment for any of the Bonds of Series B when the same shall have been duly sold by the City, the Treasurer shall set aside and deposit the proceeds received from such sale in the following respective funds and in the following order of priority:

(1) The Treasurer shall deposit with the Fiscal Agent in the Interest Fund established pursuant to Section 5.02 the accrued interest, to the date of payment of the purchase price, upon the Bonds of Series B.

(2) The Treasurer shall deposit with the Fiscal Agent in the Reserve Fund established pursuant to Section 5.02 an amount sufficient to increase the balance in the Reserve Fund to an amount equal to the maximum annual debt service thereafter on all Bonds then outstanding, including the Bonds of Series B.

(3) The Treasurer shall deposit the remainder of such proceeds in the Construction Fund established pursuant to Section 5.02. The proceeds so deposited in the Construction Fund shall be applied for the purpose of the acquisition, construction, improvement and financing of improvements to the Enterprise described in the proposition set forth in Section 1.01, including payment of costs incidental to or connected with said acquisition, construction, improvement and financing, all engineering, inspection, legal, Fiscal Agent's and Paying Agents' fees incident thereto and reimbursement to the City for funds advanced by the City after the special revenue bond election referred to in the preambles of the Resolution for the acquisition, construction, improvement or financing of any of said improvements to the Enterprise. Such proceeds may be used for the payment of interest on the Bonds of Series B during the period of actual construction of said improvements to the Enterprise and for a further period not exceeding one year after the period of construction, and the Treasurer may from time to time withdraw from the Construction Fund and deposit with the Fiscal Agent in the Interest Fund established pursuant to Section 5.02 such sums as may be required to pay such interest.

(b) The City covenants with the holders of all Bonds at any time outstanding that it will make no use of the proceeds of the Bonds of Series B which will cause such Bonds to be "arbitrage bonds" subject to federal income taxation by reason of Section 103(c) of the Internal Revenue Code of 1954. To that end, so long as any of the Bonds of Series B are outstanding, the City and the Fiscal Agent, with respect to the proceeds of such Bonds, shall comply with all requirements of said Section 103(c) and of all regulations of the United States Department of the Treasury issued thereunder, to the extent that such requirements are, at the time, applicable and in effect.

SECTION 11.05. *Series B Sinking Fund.* An account is hereby established within the Retirement Fund established pursuant to Section 5.02, to be designated the "Series B Sinking Fund." The Fiscal Agent shall deposit in the Series B Sinking Fund, in approximately equal monthly installments on or before the fifth business

day of each month, commencing in the month of September, 1997, one-tenth of the minimum sinking fund payment required to be made pursuant to this Section 11.05 on the next succeeding minimum sinking fund payment date, as such minimum sinking fund payments and minimum sinking fund payment dates are set forth in the following schedule:

Minimum Sinking Fund Payment Dates (August 1)	Minimum Sinking Fund Payments
1998	$2,800,000
1999	5,700,000
2000	6,200,000
2001	6,700,000
2002	7,400,000

The Fiscal Agent shall apply all such minimum sinking fund payments, as rapidly as may be practicable, to the purchase of term Bonds of Series B at public or private sale as and when and at such prices (including brokerage and other expenses, but excluding accrued interest, which is payable from the Interest Fund) as the Fiscal Agent may in its discretion determine, but at not to exceed the par value thereof.

If on any June 15 the moneys in the Series B Sinking Fund equal or exceed $25,000, such moneys shall be applied by the Fiscal Agent to the redemption on the next succeeding interest payment date of as many term Bonds of Series B as such moneys in the Series B Sinking Fund shall suffice to redeem. All Bonds of Series B purchased or redeemed under the provisions of this Section 11.05 shall be cancelled and destroyed by the Fiscal Agent and shall not be reissued.

No application of any moneys to the retirement of outstanding Bonds of Series B shall operate to impair or affect the obligation of the City to make minimum sinking fund payments for Bonds of Series B in the amounts and at the time provided in this Section 11.05; provided, however, that the City shall not be deemed to be in default with respect to any Series B minimum sinking fund payment for any minimum sinking fund payment date if at all times prior to such minimum sinking fund payment date the City shall have fixed rates and charges as required by Section 6.15, and if

at such minimum sinking fund payment date the aggregate principal amount of all term Bonds of Series B theretofore purchased or called and retired through the operation of the Series B Sinking Fund (together with any moneys then in the Series B Sinking Fund) equals or exceeds the aggregate amount of all minimum sinking fund payments for term Bonds of Series B then and theretofore due and payable.

Any moneys remaining in the Series B Sinking Fund after all term Bonds of Series B have been retired shall be allocated to the sinking fund accounts designated for other series of the Bonds in the proportion of the then outstanding principal amounts of term Bonds of such series, if any; and if no term Bonds shall be then outstanding, such remaining moneys shall be returned to the Treasurer for deposit in the Revenue Fund.

SECTION 11.06. *Terms of Bonds of Series B Subject to the Resolution.* Except as in this First Supplemental Resolution expressly provided, every term and condition contained in the Resolution shall apply to this First Supplemental Resolution and to the Bonds of Series B with the same force and effect as if the same were herein set forth at length, with such omissions, variations and modifications thereof as may be appropriate to make the same conform to this First Supplemental Resolution.

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Supervisors of the City and County of San Francisco at the office of the Clerk of the Board of Supervisors, Room 235, City Hall, San Francisco, California on

WEDNESDAY, OCTOBER 29, 1980

at 11:00 A.M., for the purchase of $50,000,000 principal amount of City and County of San Francisco Sewer Revenue Bonds, Series B, authorized to be issued under the provisions of a resolution of the Board of Supervisors adopted December 12, 1977, as supplemented by the First Supplemental Resolution (which resolution, as supplemented, is herein called the "Resolution"), and pursuant to the Revenue Bond Law of 1941 of the State of California. The Bonds of Series B will be issued in lieu of and in substitution for an equal amount of previously voted but unissued bonds in accordance with Sections 53540 and 53541 of the Government Code of the State of California. The bonds are more particularly described in the Resolution (which is incorporated herein by reference). The bonds hereby offered for sale are generally described as follows:

ISSUE: $50,000,000, consisting of 10,000 coupon bonds in the denomination of $5,000, numbered B1 to B10,000, inclusive (or fully registered bonds in denominations of $5,000 or multiples thereof), all dated November 1, 1980, and comprising all of the Bonds of Series B authorized by the Resolution. The Bonds of Series B are part of an issue in the aggregate principal amount of $240,000,000 authorized at a special revenue bond election held in the City on November 2, 1976. Bonds of Series A in the principal amount of $55,000,000 have heretofore been issued by the City.

INTEREST RATE: Maximum not to exceed ten per cent (10%) per annum, payable on August 1, 1981 (9-month coupon) and thereafter semiannually on February 1 and August 1 in each year. Bidders must specify the rate or rates of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest; but (i) the highest rate specified may not exceed the lowest rate by more than two percent (2%) per annum; (ii) each interest rate specified in any bid must be a multiple of one-eighth or one-twentieth of one per cent (1/8 or 1/20 of 1%) per annum; (iii) no bond shall bear more than one rate of interest, no interest payment shall be evidenced by more than one coupon and supplemental coupons will not be permitted; (iv) each bond shall bear interest from its date to its stated maturity date at the interest rate specified in the bid; and (v) all bonds maturing at any one time shall bear the same rate of interest. Any premium must be paid in federal funds as part of the purchase price.

MATURITIES: The Bonds of Series B will mature as follows:

Maturity Date August 1	Principal Amount	Maturity Date August 1	Principal Amount
1984	$ 400,000	1992	$ 1,600,000

REDEMPTION: Bonds of Series B maturing on or before August 1, 1997 are not subject to redemption prior to their respective stated maturities. Bonds of Series B maturing on August 1, 2002 are subject to redemption prior to their stated maturity, at the option of the City, from any source of available funds, as a whole, or in part by lot, on any interest payment date on or after August 1, 1993, upon payment of the principal amount thereof and interest accrued thereon to the date fixed for redemption, plus a premium of ¼ of 1% of such principal amount for each year or fraction thereof, if any, remaining between the date fixed for redemption and the maturity date of such Bonds.

Bonds of Series B maturing on August 1, 2002 are also subject to redemption prior to their stated maturity, in part, by lot, from the Series B Sinking Fund, on any August 1 on or after August 1, 1998, upon payment of the principal amount thereof and interest accrued thereon to the date fixed for redemption.

The Resolution provides for the establishment of a Series B Sinking Fund to provide for the redemption of the Bonds of Series B maturing on August 1, 2002, and requires minimum sinking fund payments to be deposited in said fund in accordance with the following schedule:

Minimum Sinking Fund Payment Dates (August 1)	Minimum Sinking Fund Payments
1998	$2,500,000
1999	5,700,000
2000	6,200,000
2001	6,700,000
2002	7,400,000

PAYMENT: Both principal and interest are payable in lawful money of the United States of America at the office of Wells Fargo Bank, National Association, the fiscal agent of the City, in San Francisco, California. In the case of coupon bonds, principal and interest are also payable, at the option of the holder, at Citibank, National Association, in New York, New York, Continental Illinois National Bank and Trust Company of Chicago in Chicago, Illinois, or Wells Fargo Bank, National Association, in Los Angeles, California.

REGISTRATION: The bonds may be issued in coupon form or in fully registered form, and will be interchangeable.

PURPOSE: The bonds are authorized for the purpose of providing funds for the acquisition, construction, improvement and financing of improvements to the existing municipal sewage treatment and disposal system of the City.

SECURITY: The bonds are revenue bonds payable exclusively from the Revenues of the Enterprise (as those terms are defined in the Resolution). Bidders are referred to the Resolution and to the official statement for further particulars. A Reserve Fund will be maintained in an amount equal to the maximum annual debt service on all bonds outstanding.

FISCAL AGENT: Wells Fargo Bank, National Association, San Francisco, California, has been appointed fiscal agent for the payment of principal and interest and for the registration of the bonds, and holds in trust the Interest Fund, Retirement Fund and Reserve Fund established pursuant to the Resolution.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds (a) the income received by any private holder from bonds of the same type and character shall be declared to be taxable (either at the time of such declaration or at any future date) under any federal income tax laws, either by the terms of such laws or by ruling of a federal income tax authority or official which is followed by the Internal Revenue Service, or by decision of any federal court, or (b) any federal income tax law is adopted which will have a substantial adverse tax effect upon holders of the bonds as such, the successful bidder may, at his option, prior to the tender of the bonds by the City, be relieved of his obligation under the contract to purchase the bonds, and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The legal opinion of Orrick, Herrington, Rowley & Sutcliffe, of San Francisco, California, approving the validity of the Bonds of Series B, will be furnished to the successful bidder without charge. A copy of the legal opinion, certified by the official in whose office the original is filed, will be printed on each bond without charge to the purchaser.

TERMS OF SALE

Highest Bid: The Bonds of Series B will be awarded to the highest bidder, considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from, or by adding the amount of the discount bid (if any) to, the total amount of interest which the City would be required to pay from November 1, 1980 to the respective maturity dates of the Bonds of Series B (assuming for this purpose that the Bonds of Series B maturing on August 1, 2002 mature on the dates and in the respective principal amounts as they are scheduled to be retired from the Series B Sinking Fund) at the coupon rate or rates specified in the bid, and the award will be made on the basis of the lowest net interest cost to the City. The purchaser must pay accrued interest, computed on a 360-day year basis, from November 1, 1980 to the date of delivery. The cost of printing the bonds will be borne by the City.

Right of Rejection: The City reserves the right, in its discretion, to reject any and all bids and to waive any irregularity or informality in any bid

Prompt Award: The Board of Supervisors will take action awarding the Bonds of Series B or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for the receipt of proposals, unless such time of award is waived by the successful bidder. Notice of the award will be given promptly to the successful bidder.

Delivery and Payment: Delivery of the Bonds of Series B will be made to the successful bidder at the principal office of Wells Fargo Bank, National Association, in San Francisco, California, as soon as the bonds can be prepared, which it is estimated will be within 30 days from the date of sale. Payment for the Bonds of Series B must be made in federal funds.

Right of Cancellation: The successful bidder shall have the right, at his option, to cancel the contract of purchase if the City shall fail to execute the bonds hereby offered and tender the same for delivery within 60 days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

Form of Bid: All bids must be for not less than all of the bonds hereby offered for sale, and for not less than 97½% of the par value thereof and accrued interest to date of delivery. Each bid, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of the City and County of San Francisco, San Francisco, California, and endorsed "Proposal for City and County of San Francisco Sewer Revenue Bonds, Series B."

Bid Check: With each bid must be submitted a certified check or cashier's check for $250,900, drawn on a bank or trust company transacting business in the State of California, payable to the order of the City to secure the City from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition, bidders are requested, but not required, to supply an estimate of the total net interest cost to the City on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the City. Checks of the unsuccessful bidders will be returned by the City promptly after the time fixed for the receipt of bids. No interest will be paid upon the deposit made by any bidder.

CUSIP Numbers: It is anticipated that CUSIP numbers will be printed on the bonds, but neither the failure to print such numbers on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the purchase contract. All expenses of printing CUSIP numbers on the bonds shall be paid by the City, but the CUSIP Service Bureau charge for the assignment of said numbers shall be paid by the purchaser.

No Litigation: There is no litigation pending concerning the validity of the Bonds of Series B, and the City will furnish to the successful bidder a no-litigation certificate certifying to the foregoing as of and at the time of the delivery of the Bonds of Series B.

Official Statement: The City has prepared an official statement relating to the bonds, a copy of which will be furnished upon request to either of the City's financing consultants, Blyth Eastman Paine Webber Incorporated, 555 California Street, San Francisco, California 94104, Attention: Public Finance Department, or Stone & Youngberg Municipal Financing Consultants, Inc., One California Street, San Francisco, California 94111. The successful bidder will be furnished with 750 copies of the official statement, without charge, for distribution in connection with the resale of the bonds.

Certificate: The City will provide to the purchaser of the bonds a certificate, signed by an officer of the City, confirming to the purchaser that, to the best of the knowledge of said officer, the official statement, as of the date of sale of the bonds and as of the date of delivery thereof, did not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

Dated: ....., 1980.

GILBERT H. BOREMAN
Clerk of the Board of Supervisors of the City and County of San Francisco

Section 3. The Chief Administrative Officer is authorized to cause an official statement of the City and County relating to the Bonds of Series B to be prepared by Blyth Eastman Paine Webber Incorporated and Stone & Youngberg Municipal Financing Consultants, Inc., financing consultants to the City and County. When the form of said official statement has been approved by the Chief Administrative Officer and the Controller, the Chief Administrative Officer may authorize the issuance and distribution thereof, including the mailing by said financing consultants to prospective bidders for the Bonds of Series B of copies of said official statement, of the resolution providing for the issuance of the Bonds of Series B and of the notice of sale of the Bonds of Series B, the cost of printing and mailing said documents to be borne by the City and County.

FILE NO. 12-80-34 RESOLUTION NO. 647-80

EXPRESSING OPPOSITION TO SENATE BILL NO. 1826.

WHEREAS, There is at this time under consideration in the California Legislature Senate Bill No. 1826, which provides in part to authorize the State Department of Health to allow public fishing on water reservoirs; such fishing is now prohibited by existing law; and

WHEREAS, The City and County of San Francisco, through the San Francisco Water Department, owns and operates various water reservoirs in the San Francisco water system, including in particular the Crystal Springs, Pilarcitos and San Andreas reservoirs, where fishing is and has been prohibited; and

WHEREAS, The allowing of public access for fishing on these reservoirs would, in the opinion of the management of the San Francisco Water Department, create a highly undesirable degradation of the San Francisco water supply in such reservoirs due to shore area erosion, accumulation of debris and litter on surrounding grounds and upon the waters therein; and

WHEREAS, The Crystal Springs and Pilarcitos reservoirs are not equipped with filters to remove impurities and debris which would be deposited therein, thus creating an unsatisfactory level of contamination of the water supply; and

WHEREAS, Authorization of public access for fishing would lead to demands for construction and improvement of access roads, construction of parking lots for vehicles, and provision of toilet facilities for the public, the expenses for which would be borne by the City and County of San Francisco in a period of very limited funds for necessary services and extremely poor likelihood of such additional funding being available for such recreational uses; and

WHEREAS, Allowing access for public fishing on such reservoirs would create requirements for additional control and enforcement personnel in Water Department watershed areas to provide public protection and assistance and for security of water system facilities; now, therefore, be it

al 7/14/80

WHEREAS, The demand for housing of all types in San Francisco has far outstripped the supply, and the resulting housing shortage is one of the most pressing problems facing the City and County; and

WHEREAS, The shortage of supply has made San Francisco the most expensive city in the United States in which to rent or purchase housing; and

WHEREAS, The viability of the City and its future economic stability depend on a stable residential community and on increased use of appropriate land for residential purposes; and
